2019 STARK COUNTY 4-H
CLOTHING PROJECT INFORMATION

1. ALL construction MUST be completed by the 4-H member.
2. Both coordination of the various parts of the outfit to achieve a total well-dressed look and quality of construction are important in evaluation.
3. All blanks in the project book should be filled in, unless not applicable (please mark “N/A” in the space). If the book is being re-used or used by more than one member, record information on separate sheets of paper.
4. Finishing details such as seams and hems should be appropriate to the fabric and the garment.
5. Outfits will be taken off and left for further evaluation, bring change of clothing.
6. The same outfit cannot be entered or modeled in two categories at county or state level. 4-H’ers who take more than one clothing project must complete separate learning experiences related to each, including creating a separate complete outfit FOR EACH PROJECT. Using items from two or more projects to form one outfit will not be considered as a "completion" of either project.
7. There will be a MANDATORY Clothing Skill-a-thon in the Spring, scores used for a tiebreaker.

NO CLOTHING CONSTRUCTION (Non-Sewing) PROJECTS

#430 - SHOPPING SAVVY  (Jr. Division: ages 8-13 & Sr. Division: age 14+)

This consumer economics project could be a beginner, intermediate or advanced level project. You will identify your wardrobe needs, compare different brands of same clothing item, study current fashion trends, learn how to care for your clothing and go shopping. You will put together an outfit, including accessories to complete it. There is no sewing involved. No purchase of clothing is necessary -- your total outfit could be from your closet!

1. Complete the project guidelines on pages 5-7 of your project book. Complete all 8 activities.
2. For Evaluation and Style Revue: model the garment(s) you have assembled for a total look outfit. Select and wear garment and accessories for a total look. Bring your completed project book.
#425 - LOOK GREAT FOR LESS (Frugal Fashion) (Jr. Division: ages 8-13 & Sr. Division: age 14+)
2. For Evaluation and Style Revue: Wear the “total look” outfit you put together as inexpensively as possible. The total look includes clothing, accessories, jewelry, shoes, etc. It is acceptable to use an item or two from those you already own, but remember this is a shopping project and the majority of your total look should be items purchased using skills you’ve learned while doing this project.

SEWING PROJECTS FOR YOUNGER MEMBERS

#409 - SEW FUN (*Beginner Level Project for ANY age)
Junior Division: Ages 8-13  Senior Division: 14 & older
*Jr. and Sr. Division Winners at the Style Revue are eligible for State Fair Participation.

2. For Evaluation and Style Revue: Wear the garment you made using an “easy” or “beginner” pattern (skirt, shorts, pants, or capris with a full elastic waistline). You do not need to bring your pin cushion or sewing box to the fair.

#410 - DESIGNED BY ME (Designed for Beginner Level ages for 11-13)

Please see note below if repeating this project.
3. This project may be repeated as long as new and more complex experiences are selected and completed each year. First year taking this project, you must make one (1) accessory. Second year taking this project, you must make two (2) accessories. Third year taking this project, you must make three (3) accessories. Please note when making more than one accessory, they must all be modeled with the same outfit. For example, you made a purse, scarf and gloves for a complete total look for the same outfit.
4. Garments such as sweaters or vests are not considered as accessories for this project. Also, permanent decorations such as patches, smocking, embroidery, needlework, or other non-removable features added
to ready-to-wear items are NOT options to completing this project although such techniques can be included in constructing the accessory. Wear at least one accessory you made with the outfit for which it was designed.
